

Agency Payment Policy

Aapki Agency ko har linked host par kitna commission milta hai, host tak payment pahunchane ki zimmedari, aur payment ke terms — sab ek jagah.

Effective: **September 2026**

Aapka Commission: **Host Payment ka 10%**

Diamond Ratio: **1 Coin = 3 Diamond**

Aapki Agency se jitne hosts linked hain, un sabke level ke hisaab se aapka commission har cycle me automatically calculate hota hai. Formula ekdum simple hai — **har host ke payment ka 10%** aapka commission hai. Host jitna upar level jaayega, aapka commission utna badhega.

₹53

Level 1A ke ek host par aapka commission — uske ₹531 payment ka 10%. 10 hosts ho to sabka commission jud kar aapka total banta hai.

Har Level par Aapka Commission

Host Payment wo pura amount hai jo aapko us host tak pahunchana hai. **Aapka Commission** us host par aapki Agency ki kamai hai — ye host ke payment se alag hai, host ke payment me se kuch nahi katta.

Payment Terms

- Commission cycle-end ke baad calculate hota hai — usi payment cycle ke saath jo Host Payment Policy follow karta hai.
- Diamond Target aapko assign kiya jata hai — Agency khud apna target set nahi kar sakti.
- Payout registration ke waqt diye gaye bank account (ya UPI ID) par hota hai — details badalne ke liye official support se contact karna hoga.
- Fraudulent, self-gifting ya fake-account se aaye diamonds par koi commission nahi banta.
- Har host ka payment aur aapka commission alag-alag dikhta hai — Agency dashboard par har cycle ka pura record available rehta hai.

Host Payment Responsibility

Ye ek gambhir (serious) term hai.

Host ka payment aapke registered account tak pahunchne ke baad, use host tak **poori tarah pahunchana Agency ki zimmedari** hai. Har host ko table ke "Host Payment" ke barabar pura amount us cycle ke andar, bina deri ke, dena hoga. Agar kisi host ko uska payment time par nahi milta, Agency ko iski **valid aur verifiable wajah** turant deni hogi. Bina valid reason ke payment rokna is Policy ka seedha ullaanghan maana jaayega — jiske liye APNA Live **legal action** le sakti hai, aur zaroorat padne par Agency ke registered address par **recovery visit** bhi ho sakta hai.

Valid Reason

Fraud ya self-gifting ki investigation chal rahi hai · Host ki bank/UPI details galat ya missing hain · Genuine technical delay jiski jaankari pehle se di gayi ho.

Valid Nahi Hai

"Baad me denge" bina kisi proof ke · Agency ka apna cash-flow issue · Host se koi personal matter · Koi bhi wajah jo pehle report na ki gayi ho.

Agency ki Responsibility

- Genuine hosts hi onboard karo — audition video/screenshot sahi aur verifiable rakho.
- Hosts ko unka level aur target clearly samjhao, taaki unhe apni kamai ka pura andaza ho.
- Koi bhi violation (fake gifting, self-gifting, abusive behaviour) dikhe to turant report karo.
- Registration ki details (bank, contact) current rakho — payout isi par jata hai.
- Host transfer ya dispute official process se hi resolve karo.

Violations & Action

Fake ya duplicate host onboard karna, ya host details galat dena	Request Reject
Self-gifting ya fraudulent diamonds generate karwana	Commission Void
Doosri Agency ke already-linked host ko approach karna	Warning
Host ko bina valid reason ke payment na dena	Legal Action
Repeat violations	Agency Suspend

FAQs

Mera commission kaise banta hai?

Har linked host ke payment ka 10%. Example: host ka payment ₹531 hai, to us host par aapka commission ₹53 hai. Har level ka number table me diya hai.

Kya commission host ke payment me se katta hai?

Nahi. Host ko table ke "Host Payment" ke barabar pura amount milta hai, aur aapka commission usse alag hai.

Mera commission kaise badhta hai?

Do tareeke se — hosts ko upar ke levels tak le jaakar, aur zyada active hosts apni Agency se link karke.

Commission kab tak milta hai?

Jab tak host aapki Agency se linked hai. Transfer ya unlink hone ke baad us host par commission nahi banta.

Ek host Audio aur Video dono me ho sakta hai?

Haan — Audio aur Video linking alag-alag hoti hai, aur dono par commission alag calculate hota hai.

Diamond targets pehle se chhote kyun lag rahe hain?

1 Coin gift ab 3 Diamond banata hai (pehle 10 Diamond tha), isliye diamond ke numbers chhote hain. Har level ka rupaye wala payment table me diya hai.
